Sprint1 : looking into tumor heterogeneity

Anne-Sophie Howard

2023-10-14

Blood cells lineage and Cancer

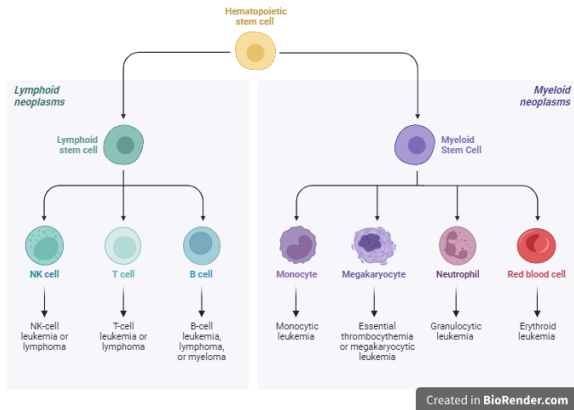

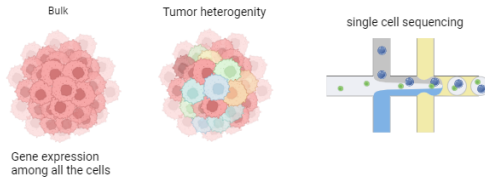

Figure 1: image

Single cell versus Bulk

Figure 2: image

Machine learning strategy

- 3 DLBCL (malignant)
- 3 Follicular Lymphoma (malignant)
- 2 transformed lymphoma (malignant)
- 3 reactive lymph nodes (non-malignant)
- unsupervised clustering
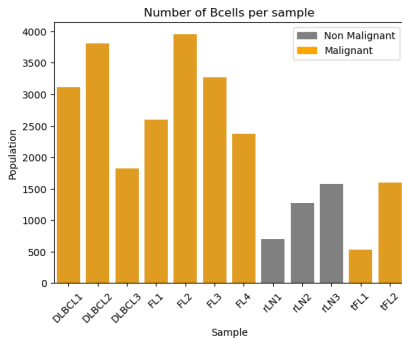

First insight into the data

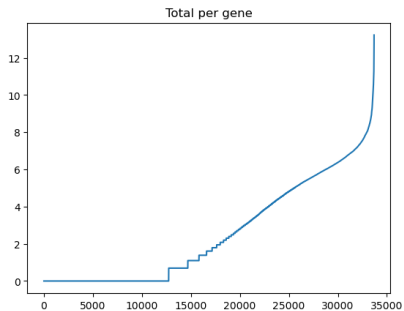

Figure 3: image

First sample features
